State Representative backs Chris Meek

Stamford, Conn.— State Representative Terrie Wood (R-141) has announced her endorsement for Chris Meek for Congress. Wood, whose district includes Darien and Rowayton, is in her second term and has been a dedicated community advocate for nearly 20 years.

"With great enthusiasm I endorse Chris Meek as the Republican candidate for US Congress in the 4th District, said Wood. Having worked together with Chris for several years, I am impressed with his intelligence, integrity and energy. With his his successful business background coupled with broad non-profit experience, he has proven himself to be a candidate of the highest caliber. The citizens of the 4th Congressional District would be very well-served having Chris Meek as our representative in Washington"

Meek said he is thankful for Wood's support and that he is excited by how many political figures, community leaders and Connecticut families have gotten behind his campaign.

"An endorsement from someone as dedicated to the community as Terrie Wood brings us a step closer to defeating our opponent in November," Meek said.

Wood's endorsement joins a growing list of prominent people supporting Chris Meek in his bid to become the 4th District's congressman.
