Stamford Police Officer's Union has endorsed Chris Meek

The Stamford Police Officer's Union has endorsed Chris Meek in his run for Congress in the 4th District.

"Like the Stamford Police, Chris Meek knows what it's like to go out on the streets to tackle the problems facing our community," said Union President Sgt. Joe Kennedy. "Chris doesn't just talk about helping people he actually goes out and does it. We're happy to endorse him in his run for Congress."

Meek lives in Stamford along with his wife and daughters.

"The Stamford Police put their lives on the line to serve the City of Stamford and keep its citizens safe," said Meek. "I'm honored to receive their endorsement because these brave men and women know what hard work is. They know that our community requires actions, not more empty rhetoric."
